## NS5200B SERIES

Anti-Slip, High Traction Safety Tape  
Firm Traction Indoor-Outdoor  
With Silicon Carbide Grit

### NS5200B Series Anti-Slip, High Traction Safety Tape

No Skidding® NS5200B Anti Slip High Traction Grit Tape is your safety solution wherever heavy duty slip resistance is required. NS5200B series is manufactured with tough, durable, silicon carbide stones that last much longer than competitors' grit tape. Silicon Carbide is an abrasion-resistant crystalline compound that is similar to diamond in structure. It is one of the hardest known substances. The stones are embedded in super strong, cross linked, all-weather plastic film. NS5200B utilizes a powerful, premium pressure sensitive adhesive that displays a high quick stick, peel / shear adhesion, and excellent anchorage to many hard-to-adhere surfaces. NS5200B Series outperforms the competition in kinetic coefficient tests for slip resistance.

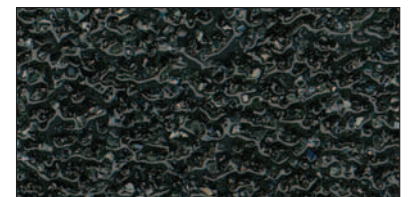

No Skidding® NS5200B series anti slip grit tape has hundreds of applications that include: stairs, playgrounds, recreational areas, ramps and walkways, pool areas, campers, RV's, work areas, running boards, boat decks, loading docks, machine shops, hazardous floor areas, lawn equipment, trucks, trailers and industrial equipment. No Skidding® Anti Slip Tapes - Anti Slip Grit Tapes, Vinyl Tapes, and Resilient Tapes are in use in dozens of countries around the world and include a wide and varied selection of OEM applications that include:

- Fitness/Exercise Equipment
- Heavy Construction Equipment (Compactors, Cranes, etc.)
- Farm Implement Equipment (Combines, Tillers, etc.)
- Boats (Paddle Boats, Boat Ladders, etc.)
- Running Boards
- Riding Lawn Mowers
- Ramps (Wheel Chairs, Equipment)
- Medical Equipment (Dialysis chairs' foot rests, Rehabilitation Equipment, Scales)
- Food Handling Equipment
- Bleachers
- Step Stools
- Scaffolding
- Sailing Vessels and Yachts
- Fork Trucks
- Skid Loaders
- Trailers (Cargo, Boats, Horse, Car, etc.)
- RVs (Steps, Ladders, Roof etc.)
- Golf Carts
- Ground Support Equipment for Airlines
- Home Health Care Equipment (Ramps, Lifts, Scooters)
- Industrial Equipment (Scissors Lift, Machinery with work platforms)
- Walk-in Coolers
- Office Furniture (Ergonomic Steps)
- Ladders
- Spotting Trailers
- Van/Bus Lifts

No Skidding® NS5200B Series Black anti slip tapes meet or exceed the following:

- OSHA Spec 1910.24 Stair Tread
- OSHA Spec 1910.26 Ladder Rungs
- Military Spec Mil-D-17951E-Ships
- Military Spec Mil-W-5044C-Type IV
- Motor Vehicle Safety Standard #302

Our facility is geared to custom die cut sizes, custom sized anti slip tapes both in terms of widths and lengths and our turnaround time is among the best in the industry. Please let us know the specifics of your requirements and we would be pleased to work with you to accommodate your needs in a timely fashion.

#### Safety Tape - Regular Black NS5200B Series

Abrasive grain coated plastic film, one side pressure sensitive adhesive, protected by removable liner.
