TECHNICAL DATA SHEET

TAG TILE & GROUT CLEANER #8601

DESCRIPTION

A ready to use powerful cleaner that combines the ability to remove soil accumulation caused by alkaline materials such as soaps and fats and also hard water deposits that require an acid based cleaner. Designed for ceramic and porcelain tile and as a highly effective grout cleaner. For small area, fill a spray bottle with TAG and spray generously. Leave for 2 mins. Lightly agitate, rinse with clean water. Mop applies on larger areas. Do not use on marble or stone.

PRODUCT CHARACTERISTICS

- This product is not for use on polished marble, limestone, terrazzo, travertine or any other calcium containing stone.
- Avoid contact with anodized metals, lacquered surfaces or other sensitive areas.
- Test for suitability and appropriate dilution in a small inconspicuous area prior to general use.
